CERTIFICATE UNDER 37 C.F.R. 3.73(b)

Hybridon, Inc. a corporation existing under the laws of the State of Delaware whose address is 345 Vassar Street, Cambridge, Massachusetts 02139, certifies that it is the Assignee of the entire right, title and interest in the patent identified above by virtue of an Assignment from the inventor(s) of the patent application recorded in the United States Patent and Trademark Office on July 6, 1998 at **Reel 9300 Frame 0007**, and on June 26, 2000 at **Reel 010930, Frame 0137**.

The undersigned has reviewed all the documents in the chain of title of the patent application identified above, and, to the best of the undersigned's knowledge and belief, title is in the Assignee identified above.

The undersigned whose title is supplied below is empowered to act on behalf of the Assignee.

The undersigned further declares that all statements made herein are of its own knowledge and are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the patent.

Respectfully submitted,
